

Dear Colleagues,

The RPOP website has been updated as:

1. RPOP is social now. Link to
  - [Facebook](#)
  - [Twitter](#)
2. Latest News
  - Information resources for [Japan Nuclear Crisis](#)
  - [New training material on Radiation Protection in Digital Radiology available as Draft CD](#)
  - [Continued occurrence of overradiation in brain CT](#)
  - [ISRRT announces Dosewise radiographer of the year](#)
3. [Latest literature](#)
4. [Upcoming events update](#)

You are encouraged to provide feedback and send information to those whom you consider appropriate and create link on your website.

Kind regards

*Madan*
